Title : Government Responsibilities in Management of Universal Basic Income

Universal Basic Income is a concept where the government gives money to each of its citizens without conditions on a periodic basis which can provide social welfare to every citizen of Indonesia. Indonesian Laws and Regulations prioritize the poor to get social welfare which should not only be poor but to every Indonesian citizen has the right to get social welfare. Indonesian citizens can obtain social welfare through Universal Basic Income that is provided by the government because the government has a responsibility to provide social welfare where social welfare is a Human Rights. The implementation of Universal Basic Income is by making it a Law concerning Universal Basic Income in which the legal basis for the regulation of the law is taken from the Constitution of the Republic of Indonesia Year 1945, Law No. 11 Year 2009 concerning Social Welfare, Law Number 39 Year 2009 Concerning Human Rights.
