FOREWORD

This research report with the title “Re-design: Bina Insan Bangun Daya 1 Homeless Shelter in Jakarta” is a final report in Architecture program at Universitas Agung Podomoro in the year of 2019.

Apart from all that, I am fully aware that there are deficiencies in terms of sentence formation and grammar. Therefore, I accept all suggestions and criticisms from readers for improvements to the paper.

The writing of this paper was able to be carried out with help from various parties. On this occasion, I would like to thank the following parties and individuals:

1. Mr. Adli Nadia, as the Head of the Architecture Study Program at Universitas Agung Podomoro and as my mentor through the making of this report
2. All the lectures of the Architecture program
3. My parents and family members that have given me their outmost support through my studies.
4. All my classmates which has helped me in discussions, peer review, and insightful inputs towards design and the writing of this paper
5. Other parties which I cannot state one by one who has helped in the completion of this paper

I hope that this paper regarding the “Re-design: Bina Insan Bangun Daya 1 Homeless Shelter in Jakarta” can be useful and inspiring for the reader.

Jakarta, July 2019

Vanessa Yudanto
