

PREFACE

Greetings and salutations dear readers, thank you for the opportunity and the attention given towards this report. But most importantly the writer would like to give thanks to the Lord for the chance and the blessings to conduct the thesis research named “*THE REVITALIZATION OF THE “PUSAT KOTA” DISTRICT USING A HISTORICAL APPROACH*” the purpose of the research in a professional level is done as a requirement to graduate and finish the architecture study programme. On a more personal level the writer has chosen the topic due the curiosity and interest in exploring architecture culture in history in my hometown and would like to give back in some way to the local community.

During the research and documenting process of the thesis, the writer would like to admit that without the help of others the thesis would be impossible done. As such the writer would like to give thanks towards the following individuals and group of people:

1. Mr. Adli Nadia, ST. MT acting as the Head of the Architecture Study Programme, and the Head Lecturer of the 8th Architecture Design Studio.
2. Mr. Doni Fireza, ST. MT acting as the Dissertation Advisor and Consultant
3. Mrs. Yaseri Dahlia Apritasari, ST. MT acting as the Academic Advisor through the programme
4. All of the lecturer and teaching staff of the 8th Architecture Design Studio
5. Mrs. Sri and Mrs. Nia Acting as the campus Librarian for advising and teaching the correct style of writing for the thesis.
6. The writers Parents, friends and colleagues for the physical and emotional support during the research process

Due to the fact that this is a Bachelor’s level research paper naturally it is not as complex and perfect as a professional paper, as such the writer would like to appologize for any imperfections or errors found in the content of the report. Knowing this the writer welcomes advises and critiques so that the paper can be

perfected in the future. To conclude the writer hopes the paper can be of use and could enlighten reader regarding the subject of the research.
