Title : **KUDAPAN TEMPO DOELOE: LUNPIA GANG
LOMBOK**

Lunpia/Lumpia is one of Semarang speciality foods. It was born from a blend of Chinese and Javanese culture. Lunpia Gang Lombok has been around for more than 100 years. Loempi was created from the love between Chinese men Tjoa Thay Hoe and Javanese Women, Warsih. Now, at 4th generation they are still selling Lunpia while maintaining their originality. With this research, which entitled "Kudapan Tempoe Doeloe: Lunpia Gang Lombok" leave the authors some questions; Why Lunpia Gang Lombok doesn't have any outlets outside Semarang, What Makes Lunpia Gang Lombok still survive today and still sells Lunpia as one of the Culinary Specialties of Semarang City, and also How was Lunpia Gang Lombok's journey to become the first Lunpia Pioneer in Semarang City. The purpose of this research is to bring back the story about the origin of Lunpia Gang Lombok itself and its uniqueness so that it's still sold today. The authors hope that millennials can get to know Lunpia more deeply and also preserve it as one of the heritages of Chinese and Javanese acculturation in Semarang. For methods, the talents use qualitative as well as quantitative methods. In conclusion, the taste of Lunpia Gang Lombok is still the same taste from generation to generation since the 1900s where consumers can still get to know Lunpia Gang Lombok itself.
