

ACKNOWLEDGEMENTS

Thank you to God, because of the blessings, comfort and grace He gave to the writer that this report could be completed on time. This report titled “The Correlation between Corporate Social Responsibility and Behavioral Intention in Jakarta” is written to fulfil one of the academic requirements for achieving the Bachelor of Business degree in Agung Podomoro University, Jakarta.

The writer realized that it would have been possible to write this report without the constant support, assistance, direction and prayers from many friends and family. Thus, the writer would like to express gratitude to all who have contributed to the writing of this report such as:

1. Daddy and Mommy to always support and tolerate all through the way in completing this paper.
2. Mr. Dang Arif Hartono., MA. and Mr. Jonathan Gultom, S.E, S.T, Mbus. as mentors that have sacrificed all their energy and time in guiding me to complete my thesis proposal.
3. Mdm. Edvi Gracia Ardani, M.Par. for all the help, guidance and understanding.
4. To Mr. Jason Christopher Chandra for all the company and support in completing this report.
5. To Ms. Stella Valencia, Ms. Shawn F.A.R., Ms. Veronica N. and Mr. Leonardo T., thank you for all your support who have been patient and accompany me through this journey.
6. To Mr. Fernaldy P. Wijaya for the company and support throughout this journey.
7. To Carissa, Sheree, Sincie, Mishael and all of my classmates of ENT16, thank you for all the support and look out that we have given to each other. We have guide as well as grow with each other.
8. To Amanda and Willy for their patience, comfort and support.

Jakarta, 22 July 2020
